To Whom It May Concern:

Name: Dr. David Aigaki

Doctor of Chiropractic since 1991 in private practice.

Have utilized NMT to correct the causes of chronic pain and articular joint dysfunction as well as other neuromuscular conditions.

The NMT system works as disclosed as taught by use of the NMT seminar manual.

NMT is very useful in the treatment of patients.

A case (female) of chronic bilateral palmar (hand) pain with associated generalized nausea (both with unknown etiologies and medically treated with minimal response) has responded incredibly well to NMT.

Regards,

David Aigaki, D.C.
